

Red Kite poems – Watlington primary

1. Louise

Red kites are rusty red

Red kites are swooping

Red kites are chocolate brown

Red kites are swooping down

Red kites are squawking with their beak

Red kites have a C and a V on their back

2. Georgia

Red kites are milk chocolate brown

Red kites soaring around

Red kites are circling round

Red kites gliding down

3. Charlotte

Red kites are gliding through the sky

Red kites are flying down to eat

Red kites are picking up food with their sharp beak

Red kites are fighting

4. Lara

Red kites are swooping down for food

Red kites gliding in the air

Red kite gliding round and round in the air

Red kite picking up food with its sharp beak

Red kite picking up food from the floor
